Civil Engineer III-IV

WBK Engineering, LLC (WBK) is currently seeking a motivated individual to work out of our St. Charles, IL office. WBK is a full-service civil engineering consulting firm providing transportation, structural, municipal, construction, environmental and storm water engineering, as well as urban planning services to both public and private sector clients. Our staff includes over 30 engineers, scientists and support professionals. WBK has offices in St. Charles and Aurora, Illinois, and in Battle Creek, Michigan.

WBK is seeking an experienced and responsive Civil Engineer, committed to personal service and professional growth, who will support our transportation engineering practice. Our Civil Engineer III-IV will perform a variety of duties, mainly in the office, with some field responsibilities. Experience working with MicroStation and/or AutoCAD is a must. Experience working with varying transportation design software is a plus.

**Essential Duties & Responsibilities:**

- Perform civil engineering design related to transportation, water resources and utility design services for Illinois Department of Transportation, Illinois Tollway and Local Agency projects
- Project work planning, project management and leadership
- Technical and Project Report Writing
- Documentation of Design computations

**Education & Experience Requirements**

- Bachelor’s Degree in of Civil Engineering or related engineering field
- Minimum of six years, with a preferred range of seven to twelve years of relevant transportation design experience
- State of Illinois Professional Engineering License

WBK Engineering (WBK) desires responsible professionals who are committed to personal service and professional growth. We offer a professional work environment with exceptional learning opportunities. If interested, please submit a resume electronically to hr@wbkengineering.com or mail to:

WBK Engineering, LLC  
Attn: Human Resources  
116 W. Main Street, Suite 201  
St. Charles, IL 60174

**EQUAL EMPLOYMENT OPPORTUNITY POLICY**

WBK Engineering, LLC (WBK) provides equal employment opportunity without regard to race, color, age, religion, sex, sexual orientation, national origin, marital status, changes in marital status, pregnancy, parenthood, creed, veteran’s status, veteran’s disability and physical or mental disability. WBK intends that all matters related to recruiting, hiring, training, compensation, benefits, promotions, transfers, terminations and layoffs and recalls, as well as all WBK sponsored social and recreational programs, and all treatment on the job, be free of unlawful discriminatory practices.
